I went to school to talk with my  
and he looked very not convinced about a pa  
work: the trap. He took it and smelled it, he was disg  
but all he said was: "this object is really heavy". Well, I  
I am NOT an emotionally unstable woman" I said. I was pre  
this snobby attitude of him but I still tried to have a decent conversa

PR: What do you really want to do?

ME: I really don't know.

PR: Well, you can do monochromes with the rounded mirror inside

ME: This sounds really expensive...

PR: You have to try, IKEA is open until 7 pm

ME: But what should I do after that? I don't know
